TERMS OF AFFILIATE PROGRAMME

Career Advancement.

The platform offers a motivation system of 10 ranks, where each participant strives to reach the last rank, which is called Infinity.

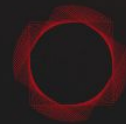

For achieving each rank, the participant receives a one-time reward from our company directly to your account balance. The amount is immediately available for withdrawal and further investment.

Create an affiliate network.

When you reach rank, you will receive an increased percentage of rewards from your affiliates' deposits.

HOW DOES IT WORK?

Each participant starts with the initial rank of Acolyte. In order to increase his rank, the client must fulfil two conditions:

Increase your personal deposit and increase the team's turnover.

Note the deeper the line of your structure, the less turnover from that line is displaced.
